| National program "Living Healthy" | Ministry of Health Croatian Institute of Public Health | <p>Croatian Institute of Public Health is implementing comprehensive health promotion project "Healthy Living" that has been officially adopted by the Government in July 2015 as a National health promotion program. The goal of the program is the improvement of health of the entire population through activities implemented at the local community level by informing, educating and raising awareness of citizens of all ages on the positive aspects of healthy lifestyles: physical, mental and sexual health.</p> <p>Due to its comprehensiveness and multisectorial implementation, activities of the Program are implemented through five components each aiming at a specific population and covering a</p> | <p>https://www.hzjz.hr/en/news/the-national-programme-living-healthy/</p> |
